With more than 10 years working experience, Premium Ingredient Co., Ltd offers not only quality products, but also good service, quick response, delivery in time, share up-to-the minute market information, supply one-stop-shop solutions.

We have established a long-term, extensive and deep cooperation with the source to ensure sufficient supplies, stable prices, and rapid shipment. Our 3rd party documents include ISO9001, ISO14001, HACCP, HALAL, KOSHER, GMP, FAMI-QS and so on. You can consistently count on us. party documents include ISO9001, ISO14001, HACCP, HALAL, KOSHER, GMP, FAMI-QS and so on. You can always consistently count on us.

OUR MISSION

AS A BRIDGE BETWEEN CHINESE FACTORIES AND OVERSEAS BUYERS, WE SELECT SUPPLIERS WITH EXTENSIVE EXPERIENCE, COMPREHENSIVE MANAGEMENT SYSTEMS, AND SUPERIOR QUALITY. WE PROVIDE NOT ONLY HIGH-QUALITY, BUT ALSO VALUE-ADDED PRODUCTS. WE ALSO PROMPTLY FEEDBACK BUYERS' NEEDS TO FACTORIES, HELPING THEM UPGRADE THEIR PRODUCTS, GROW AND PROGRESS TOGETHER .

Premium ingredient selects suppliers and provide complete quality control documents to meet your daily needs. Our product quality meets international standards. such as AII, USP, FCC, EP, CP, CP, or customerized quality. Below is a list of regulatory documents we provide for our ingredients.

★ ISO Certification

★ Kosher Certificate

★ Haccp certificate

★ GRAS Statement

★ BSE/TSE Statement

★ Country of Origin Certificate

★ Flow Chart (product processing)

★ Nutritional Information

★ Specification Sheet

★ Halal Certificate

★ IP certificate

★ Allergens with Glutens

★ HACCP Program

★ Certificate of Analysis

★ Material Safety Data Sheet

★ Food Grade Certificate

★ GMO Statement
